## Dear Customer!

We would like to take this opportunity and thank you for contacting us regarding your intention to purchase one or more of our products. We are convinced that you have made the right choice by selecting us as your sauna supplier. Thanks to our TUV-certified manufacturing technology, we are ready to precisely manufacture whatever unique solutions our clients dream of. We take into consideration special local features and terrain conditions and provide consultation services for our clients to help them find the solution that best suits their needs.

-------------------------------------	--

Notes	Individual drawing: yes / further measuring necessary: no
-------	---

The customer prepares:

- Power supply network installation: recommended 3x400V, 3x20A, C20 circuit breaker, 5x4 or 5x2,5 silicone cable
- Installation of electrical fuse board for supplying the sauna with a circuit breaker (contact protection relay / earth relay)
- Obtaining any notification requirements, building permits
- Prepare a concrete foundation as recommended
- Providing parking for the truck
- Ensure unobstructed access to the site (possibly with a crane)
- Providing garbage container occasionally
- In order to ensure the proper operation of the control application, the Customer is obliged to ensure the technical conditions for the connection to the home network and to use the assistance of a specialist for the connection. In the event of failure to do so, iSauna Design Kft. shall not be liable for the proper functioning of the application.

Payment schedule and shipping

By order	50%	money transfer
By upon receipt in the manufacture	50%	money transfer
Delivery deadline	90-120 days from order date	

#### Payment schedule and shipping

##### Warranty:

Outer construction: 5 years

Control unit, heat sensor: 1 year

Philips Vitae / Dr. Fischer Infrared heater: 5 years producer warranty

Harvia sauna oven: 2 years producer warranty

Painting: 6 months

The salt bricks' state of aggregation can be changed by the temperature variations and weather conditions. Through this change, the sauna function's physiologic effect does not change. The iSauna Design Kft. does not provide warranty for salt bricks and salt walls.

If the product delivery/installation does not take place until the 30th day after the delivery deadline for reasons attributable to the client, the client is obligated to pay 50 EUR + VAT/day starting the 31st day as a contractual penalty.

The producer reserve its right to check the legality of the warranty claim. The producer has the possession rights of the product until the total payment fulfilment. The Hungarian VAT is 27%.

The photos in the cost estimate are illustrations.

We do not provide warranty in case of damages:

-tcaused by non-proper purpose

-tcaused by a non-proper maintenance

-tcaused by power fluctuations, direct or indirect nature catastrophes

-tcaused by a non-proper installation, maintenance or external impacts, if the installation is not done by the iSauna Design Kft.

##### GDPR Information:

We use your personal data (name, address, phone number, e-mail address) in the cost estimate in accordance with par. 1/b art. 6 2016/679 of the EU-Regulation. Upon request, we delete your personal data. In this case, please send us a mail containing the reason for recall to [info@saunamanufacture.com](mailto:info@saunamanufacture.com).

The iSauna Design Kft. cannot take any responsibility during the existence of this contract for service changes or contract failures caused by COVID or state of war. In those vis major cases the iSauna Design Kft. reserves the right to contract termination.
